**ORDERED,**

That the State Controller increase allotment in account 020-12A-0852-08, Workforce Investment Act - National Emergency Grant, by \$85,000 in the All Other line category for the purpose of providing training services to laid-off workers; and,

Be it further ordered,  
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2010", for which this shall be our sufficient warrant.

**Statement of Fact**

This financial order increases allotment to provide retraining services to laid-off workers from Wood Structures. \$85,000 was originally allotted in FY 2009 on Financial Order # SS4878 F9 with the expectation that a subrecipient contract would be encumbered prior to the end of June 2009. This contract did not get encumbered until July 2009 and incorrectly used funds allotted on Financial Order # SS4982 for FY2010. The \$85,000 is necessary to process the current year encumbrance.
